Note from the Board

Welcome, and thank you for attending KinkyCon Wicked Weekend 2022!

KinkyCon is a grassroots, locally-focused event. Most of our presenters are from our own kinky community. Many of our vendors are folks you know, and they offer their wares at fair prices with exceptional quality, and local service. Our volunteers are from the local community, and give their time to make the Con run as smoothly as possible. They are the reason for the warm, welcoming feel throughout the weekend.

The main focus of our Con is education. Every year, we strive to provide a schedule of varied topics, skill levels, and presenters. We enjoy giving new, local presenters the opportunity to get their feet wet; they have to start somewhere! Our goal is always to diversify both our list of presenters as well as our class list. Our schedule is packed full of amazing classes, special interest groups (SIGs), and informal lounges. We hope you will attend as much as you can.

We are here to make sure you have a great experience at KinkyCon. If you have any questions, concerns, or problems, please talk to one of the KinkyCon staff or board members right away. We will do everything we can to help on-the-spot.

Have fun, play safe, and open yourself up to new ideas. That is the essence of a great KinkyCon experience.

eroawakening was our super volunteer. Her sole purpose in attending KinkyCon was to do help however she could. Whether that was working Registration, running to Dunks, or buying supplies; she was the first to volunteer for anything we needed. She was our smiley, giggly, bratty ball of glitter and we will miss her terribly. Rest in peace friend.

Any class changes or important notifications will be posted in the Hotel Lobby near the Registration Desk and on our Discord server, located here: <https://bit.ly/kinkycon>

Lost and found is located in the Volunteer Lounge (Board Room) in the Hotel.

General Event Rules

We potentially share the hotel with other guests, children, groups, and hotel staff, all of whom deserve our respect. Our commitment to the hotel is, in essence, to make sure that no one has a reason to feel uncomfortable with our presence. We strive to build a solid, trusting relationship with the hotel, and as long as we keep to ourselves, we hope they will be happy to provide a space for us. Accordingly, here are some things you need to agree to.

You must respect hotel guests and staff by:

- Wearing “Family Friendly” attire in all hallways, public, and common areas of the hotel.
- Keeping kink conversation out of hearing range of hotel guests and staff.
- Not approaching other hotel guests to ask them if they are part of our event.
- Respecting others’ privacy. What is done/said/seen here, stays here.
- Not giving out detailed personal information about people in attendance.

You must:

- Wear your wristband and ID badge at all times when in the Con spaces, in both the hotel and conference center.
- Familiarize yourself with and follow the cellphone and photography policies.
- Familiarize yourself with, and follow the rules for each space.*
- Follow the instructions of KinkyCon security and staff.

**Rules for each space will be posted inside, near the door.*

“Family Friendly” is much more conservative than “Street Legal.”

Understand that there is no play or disruptive behavior of any kind allowed in the hallways, public, and common areas of the hotel. This includes:

- Wearing or displaying rope or fetish gear,* including hoods, masks, toys, or leashes.
- Any sort of BDSM play, impact play, spanking, groping, biting, leading on a leash, etc.
- Loud noise, or any behavior that might be disturbing or offensive to hotel guests or staff.

**Special exception for collars. If you wear your collar to the mall, feel free to wear it here!*

There is a strict NO PHOTOGRAPHY, NO RECORDING DEVICES, and limited cell phone usage policy. You must keep your phone silenced and step outside for calls.

There is no sexual activity allowed at the Con or the party.

- “Sexual activity” is defined here as: body parts or toys inside of other body parts, hand/oral to genital contact, or using toys like vibrators on genitals, either directly or indirectly.

Exceptions: Kissing, and contact that is required by the nature of the class or presentation.

Alcohol and drugs are prohibited at the con and at the parties, and anyone appearing intoxicated or under the influence will be immediately ejected from the Con.

Failure to abide by these rules will result in being ejected from the Con with no refund.

Restrooms:

For gender-nonconforming individuals, just walking through the door of a public restroom can be stressful, and many have experienced harassment in restrooms. We ask everyone to respect the right of others to use the restroom of their choice. We appreciate your help in ensuring that all persons have a positive experience while attending our event. It is important that we work proactively to create safer spaces for ALL people whenever and wherever we can.

- If you prefer a **GENDER SPECIFIC** restroom, they are located in the hotel, on the lower level (in vending), and on the first floor near the lobby.
- If you prefer an **ALL-GENDER** restroom, they are located in the Conference Center, and on the first floor of the hotel, near the Woodside room.

Food policy:

- There is NO outside food allowed in the Conference Center.
- There are vending machines located in the hotel.
- You may bring food into the hotel classrooms, but please be respectful of those around you.
- To protect the privacy of all Con attendees, we respectfully request that any food deliveries be picked up in the lobby of the hotel.

COVID Policy

The State of New Hampshire has no restrictions at this time but we feel it is still important to take precautions due to the nature of our event. To that end, KinkyCon is adopting a **VAX > TEST > MASK** program for this year's event.

VAX- Proof of Vaccination is required – Original, Hard copy, or Digital (photo or APP). These will be checked at registration. You **MUST** present proof of Vaccination, and your ID, at the time of registration.

TEST- OTC (Over the Counter) Test is required to be taken on site. Attendees must provide their own test kit. Testing will take place in the event tent outside of the Best Western. The KinkyCon Health and Safety Team will supervise testing in the event tent outside the hotel. Attendees with a negative test result will receive a hand stamp. At that time, you may head into the hotel lobby to complete registration. If you test positive you will not be admitted to KinkyCon and we will refund your full ticket cost.

While we are mandating testing only at registration, you may also want to consider self-testing every day of the con. If you test positive during the con please report immediately to any KinkyCon Staff member. At that time, we will ask that you leave the event and we will issue a refund. Please be honest with yourselves, other attendees, hotel, and conference center staff, by reporting any positive tests as soon as you have the results.

We will have members of our Health and Safety Team performing random temperature checks during the event, and if you have an elevated temperature they will perform further screening to determine if you need to take another OTC COVID test.

MASK- Masks are to be worn at all times in all public conference spaces and **must be N95, KN95, OR KF94**. Exceptions:

- Presenters and Assistants may remove them while actively teaching a class
- In the Dungeon when you are actively involved in a scene
- While eating

We understand that this is much higher bar than most spaces are requiring but our event is unique in that the same large group of people will be circulating in the same spaces for 3+ days. We feel that this policy will help make anyone who attends KinkyCon Wicked Weekend 2022 less likely to contract COVID at the event.

Last but not least. BE PATIENT!! By having these health and safety procedures in place, things are likely to move a bit slower this year. Registration will take longer; classroom entry and exit might be slower.

Consent Policy

1. No touching people or personal property without permission.
2. Treat everyone as an equal, and only engage in verbal role-play if you have permission. For example, don't call someone "Mistress," "slave," or any other role-play word unless you have asked if it's okay.
3. Negotiate the scope of your scene prior to the activities. Before the scene begins, it must be clear that the bottom has given consent to the proposed acts.
4. Each participant is responsible to make sure everyone involved has the mental and emotional ability to give informed and voluntary consent during their negotiation for the scene.
5. Anyone can withdraw consent, make a nonverbal safesign or use the universal safeword "Red" at any time. Once consent is withdrawn, the activity must stop immediately. Partners need to share what safewords or safesigns are being used to prevent consent violations.
6. The top is legally responsible for stopping the activities at any suggestion that the bottom has withdrawn consent. The bottom is ethically responsible for being clear and unequivocal when withdrawing consent.
7. Depending on all participants' state of mind, we recommend that you don't renegotiate in the middle of your scene. When a person is in subspace or otherwise not in a clear state of mind, you may not have informed consent, even though they agree in the heat of the moment.
8. If your consent is violated, verbally tell a dungeon monitor or clearly marked delegate of the event immediately. Violation of the consent policy may result in expulsion from the event. No one is exempt from the rules.
9. Disclaimer: Every reasonable effort will be made to enforce this policy, but this organization makes no representations or guarantees about its ability to do so, and all participants/attendees retain full, sole responsibility for their safety and the safety of others with whom they interact.

Dress Code

In the Hotel – When in the public spaces of the hotel, “**Family Friendly**” is the minimum.

Between the Hotel and the Conference Center – When moving between these two buildings, you must be family friendly. We suggest a long coat or cape be worn if you have any doubt about the appropriateness of your clothing.

- Please note: “**Family Friendly**” is much more conservative than “**Street Legal.**” This includes not wearing or displaying rope, fetish gear - including full-face hoods or masks, toys, or leashes, and extends to include any sort of BDSM play, impact play, spanking, groping, biting, leading on a leash etc.
Special exception for collars! *If you wear your collar to the mall, feel free to wear it here!*

In the Conference Center – As there are no public areas in the Conference Center, the dress code is a bit more relaxed. “**Street Legal**” is the minimum. Genitals must remain covered, and pasties are required if topless. All types of fetish wear are allowed, including masks, hoods, leashes, harnesses, etc. while within the Conference Center. Please take into consideration that space is limited. Full nudity is not allowed.

- Please note: A dressing room is available in the Conference Center for you to change into your fetish wear. There is also a coat closet for you to store your bags. (The coat closet is not staffed and storage is at your own risk.)

In the Classrooms – For all classrooms: “**Street Legal**” is required. Genitals must remain covered, and pasties are required if topless. All types of fetish wear are allowed including masks, hoods, leashes, harnesses, etc. while within the classrooms, as long as it doesn’t distract the class. Please take into consideration that space is limited.

- Please note: For certain classes, demo bottoms may be fully nude at the discretion of the instructor, as long as the doors remain closed.

At the nighttime parties – All types of fetish wear are allowed including masks, hoods, leashes, harnesses, etc. while within the Conference Center! Bring it out and show it off! Topless is fine. G-string minimum on bottom. Genitals and anus must be covered.

- Please note: You must be Street Legal if you leave the Conference Center building for any reason.

Nighttime Party Rules

Basic Rules

1. Absolutely NO CELL PHONE USAGE, PHOTOGRAPHY or recording devices of any kind, in any of the dungeon rooms (Marquis, Camelot Court, and Crown Court).

3. Event safe word is RED. Expect others to react if you use it. We strongly suggest a Green, Yellow, Red safe word progression for all scenes. If you do not know what this means, please ask a Dungeon Monitor.
4. No means No. Take no for an answer with dignity and good manners.
5. Respect the space and other guests: Do not walk through a scene, do not interrupt or talk to the players, maintain a safe distance, and please do not hog the equipment.
6. Dungeon spaces are for play and observation. Social spaces are for conversations.
7. Do not touch it if it is not yours.
8. Use the marked area in Marquis for any scenes involving sharps (staples, needles, knives), so long as there is no cutting or intentional blood.

10. No alcohol or drugs are permitted. If you appear to be under the influence of either, we will ask you to leave with no refund.
11. G-string minimum at the party (keep genitals and anus covered). You must be Street Legal if you leave the Conference Center building for any reason.
12. Smoking is only permitted outside in designated areas.

Play Rules:

1. NO fire, scat, urine, blood, or clamps on genitalia.
2. NO sexual activity at the parties. Sexual activity is defined here as: body parts or toys inside of other body parts, hand/oral to genital contact, or using toys like vibrators on genitals, either directly or indirectly.
3. Wipe down any equipment before, and most importantly after, your scene is finished. If you are not able to do this yourself, make arrangements for someone else to do it for you.
4. Short whips only (6 feet or less), and keep them subsonic whenever possible (no cracks). No intentional, repeated cracking.
5. If you see something you think is unsafe, bring it to the attention of a Dungeon Monitor. Do not interrupt the scene.

All decisions made by the Dungeon Monitors are final, and failure to abide by them will result in being ejected from the event with no refund.

Security, Health, & Safety

At KinkyCon, we take all of these very seriously, and we proactively seek out new ways to up our game in each area. We have taken steps to ensure that we have the following important resources available that will benefit our attendees, volunteers, and staff.

Security – The KinkyCon Staff and all of our volunteers are our first line of defense when it comes to security at the con. We have volunteers at every unlocked entrance to the hotel and conference center so that unwanted “guests” are not able to enter. As both a takeover and a private event, we are able to control access to the Con in a way that we never could in previous years.

Health – We have partnered with Operation Hammond to provide Medical Aid and Social Care. They will be on site all weekend providing medical services and social care. You can request their services 24 hours a day. Or, you can visit them in person at one of the **First Aid Stations, located in the Conference Center Lobby, or across from the Volunteer Lounge (Board Room) in the hotel.** All services are 100% discreet, private, and confidential.

If you have an emergency, you can get help, 24 hours a day, by visiting Operation Hammond, or by contacting any KinkyCon volunteer, staff, or board member.

Safety – Dungeon Monitors will be on hand at both nighttime parties. AdelineKindred and Amanda are taking the lead on this very important aspect of KinkyCon, and will be on site all weekend to manage the DM crew.

Volunteers and staff are on duty during all the hours that KinkyCon is open. If you have any kind of problem, please bring it to our attention, and we will work to gather the best resources at our disposal to help resolve the problem.

Consent is a huge topic at every public event, and at KinkyCon, we take it very seriously. We operate on an ONLY YES MEANS YES basis. If you feel that your consent has been violated at any time during KinkyCon, please contact someone on the KinkyCon staff, or at Operation Hammond, for the quickest response. You can also contact any volunteer and they will radio one of us to respond to your location.

If your consent is violated, verbally tell a dungeon monitor or clearly marked delegate of the event immediately. Violation of the consent policy may result in expulsion from the event. No one is exempt from the rules.

Incident Response Team

We are excited this year to welcome back Sarah V. Revels, LCMHC present in the role of Incident Response Team Supervisor. The team will be available, working in shifts of two professionals, on call via walkie talkie throughout the three-day event. Sarah will also be on call all weekend as needed.

Friday Night Erotic Art Show

We have so many talented artists in our community who rarely get to display their erotic work in a gallery atmosphere. At the KinkyCon Art Show, they have the opportunity to show off their talents. Be sure to stop by and see the amazing works that your fellow kinksters have on display, and maybe even for sale! Join us in Granite, on the second floor of the hotel (upstairs from the main lobby), from 7:00-9:00pm on Friday night, for KinkyCon's Erotic Art Show.

Friday 7:00-9:00pm in Granite

About our Artists...

Gentleman-Strong

I have been involved in the community for 5 Years now. I am a Photographer, BDSM Top and on occasion will bottom for the right person. I also do Kink Photography when requested. I love photography as it allows me to setup real life scenes and get a photograph; a memory if you will, that can be cherished. To date, I have only used models for my art but would love to get some images of real world kinksters to photograph. I attend munches regularly at least one a month. I have gone to many events and volunteered at a lot of them, from setup, to dungeon monitoring, to tear down.

LilyLew

I'm a visual artist exploring intimate experiences of power exchange, sexual expression and the artist's self-awareness. I work mostly in oils utilizing the cell-selfie/self-portrait, objectification and voyeurism; my work ventures into kink and often depicts scenes with my partner. The relationship of artist/creator, model and viewer fuel the collaborative and erotic dynamic. Information and more examples of my work can be found at: www.joyinshadow.com.

Lite Road Images

I've been a photographer and artist for most of my life and while I discovered my style 30 years ago, I still explore new directions with my beautiful muse and partner Erato, and occasionally other models. I prefer a minimalist approach to lighting and composition and especially like to combine brutality with beauty and elements of D/s dynamics. I hope you enjoy my images as much as I do creating them.

matsumo_ni

I am a Boston-based illustrator inspired by surreal and historical elements. Being raised in a conservative environment sprouted the desire to push boundaries and have the freedom of expression. This

resulted in blending concepts revolving around nostalgia and emotion, while displaying personal insecurities through my work. These illustrations are ways to remember; to forgive the past and look for joy even in the crudest of moments. My work is an emotional response; something that seems familiar yet contemporary- therefore describing how our lives are filled with many surprises that we may otherwise look past.

redknots

Red (he/him) works in a variety of media, including digital painting and drawing, sculpture, costuming, and miniatures. The art he's exhibiting at KinkyCon incorporates his passion for rope bondage. Red resides in Somerville, Massachusetts.

SallyandherToy

About 5 yrs ago, toy met Sally. Matched with similar interests and open minds, they explore what they both love: Bondage! Playing often, Sally has plenty of opportunities to take pictures. She's always had an interest in photography and toy couldn't be a better subject! Taking great pride with every detail, she captures intimate moments and shares them. Whether it be a black and white or color photo, a picture is definitely worth a thousand words! ;)

Check them out on fetlife - SallyandHertoy or their latest endeavor www.Sally'sToyBox.com, 'The source to satisfy those devious thoughts!'

soumise

Soumise is a long time lover of all things textile. If it can be spun, woven, knotted, knitted or sewn, it probably has a place in her collection. Her Master is known to say that she curates a private textile museum. She loves to mix mediums and combine the practical and fanciful into her pieces.

The KinkyCon Aftercare Munch

The Annual KinkyCon Aftercare Munch!

Hosted by Master Zero and Annabelle

Sunday 6:00pm–9:00pm at the Backyard Brewery

KinkyCon invites you to socialize and decompress a bit, as your epic weekend in exploration of BDSM, polyamory, gender identity, and alternative sexuality winds down.

The KinkyCon Aftercare Munch is open exclusively to KinkyCon attendees: please keep your wristband intact for admittance.

Please continue to reflect the agreements you've made for the Con. There will be a couple surprises, and lots of good vibes.

Hugging, storytelling, and positive energy exchange is encouraged, yet not mandatory.

Eat, drink, and be merry; for tomorrow we die. (Well, we may not die, but Con Drop is a real thing!) Let's strengthen our support system, before we go back to vanilla life!

This year the Aftercare Munch will run simultaneously with the late Sunday events at KinkyCon, so feel free to pop in and out as your schedule allows.

Please RSVP, and keep your RSVP up-to-date, as this will allow the hosts to plan efficiently:
<https://fetlife.com/events/1166209>.

Note that this event is outside of the con spaces, and as such, the dress code is *family friendly*.

Presenter Bios

Andrew (*he/him*) - For the past ten years, Andrew has learned a few cool things while exploring his inner sadist, and is excited to be able to share these with everyone. Some of Andrew's passions include rough body play, rope bondage, impact, electroplay, predicament bondage and some good old hair pulling.

Carmen Monoxide (*she/her*) - A former teacher with a lifelong passion for the bizarre and filthy, Carmen Monoxide also works as an event producer and kinky sex educator. She sometimes performs on stage and on camera, and is passionate about helping people have fulfilling, sexy experiences. Dionysus has assisted Carmen in educational endeavors since 2019, and recently began co-authoring classes and performing. His other interests include gaming, travel, and hedonistic adventures.

Cecilia T. Winters (CTW) (*she/her*) - Cecilia T. Winters is your typical queer Millennial. Born at the start of the internet age, she has always benefited from information at her fingertips. She identifies as bisexual and ethically non-monogamous. She enjoys giving first suspensions; suspending willing victims for sadistic scenes; and suspending herself with rope and chain. Her non-kink interests include reading, making lists, watching early 2000s crime dramas, and learning about ancient human cultures.

Domino (*He/Him*) - See page 62

DrPhenix (*She/Her*) - DrPhenix, reborn out of the ashes of hell with tears that have the power to heal. They say to talk about not only what you know, but what you are passionate about. She is passionate about this community and doing what she can to educate and support those that feel comfortable or want to explore the s-side of the slash. She enjoys talking to and educating others in areas she is passionate about, including bottoming as a masochist, submission, and bootblacking.

Fischer Garrett (*he/him*) - Fischer Garrett ('Mister') is a bisexual, polyamorous top. His time spent in the lifestyle has led him through a journey of self discovery, from once being monogamous to being a relationship anarchist; from wanting nothing to do with bondage to developing a way to practice bondage in a relatively unperformed and under-documented fashion. He has volunteered for larger kink events as a member of a consent incident response team, a dungeon/ playspace monitor, and as a presenter.

Griffin207 (*He/Him*) - Griffin207 is a rope switch who's been active in the Maine scene since 2015. Rope is one of his many passions, especially dynamic suspensions and sensual/sadistic floorwork. He attends most of the rope events in Maine and helps run Black Knot Rope Group with his partners. He also attends national conventions and intensives to further his skills. He has been presenting since 2016, and he enjoys sharing his knowledge and the art of rope with everyone from newbies to seasoned kinksters.

Just Kate (*she/her*) - The darker side of sensuality has always fascinated and titillated Kate. From dark fantasies of abduction and enslavement at Jabba's slimy hands, she has longed for the darker spaces deep within each of us. After discovering the Lifestyle, with a profound sense of being in the right place, she discovered a deep need to serve and share knowledge with those seeking it. Kate can be found on Fetlife as 'just_kate.' Kate's interests mostly lie in the areas of service, submission, and sensual play.

KnotFrayed (*He/Him*) - KnotFrayed has over a half-century of kink and rope experience starting in the 60's and 70's before public kink was even a thing. Seeing a lack of opportunity for rope aficionados locally, he started Salem Rope nights, which was a popular gathering spot for rope beginners and experienced rope people for many years. He has taught basic rope theory and bondage classes in private and small-group settings, learning a bit about suspension, shibari, and kinbaku along the way.

Koalafied_ (*They/Them*) - Koalafied_ has 8 years of rope experience. Learning involved a lot of trial and error due to the lack of representation in rope at the time. In 2017 they created Black Knot Rope Group to provide more inclusive and body positive rope education. They are proud that their hard work has led to the opportunity of working with shibaristudy.com in filming educational tutorials focused on tying bigger bodies in the effort to make this knowledge even more accessible.

Lady Nim (*She/Her*) - A little about LadyNim. Her passion is for whips and she has been in the lifestyle about 20 years. In those years, she has been mentored and has mentored others. She finds it very rewarding to pay it forward and loves offering educational opportunities for all skills and concepts. "Knowledge is power."

Lady V (*she/her*) - Lady V is a Philly-area native with a black belt in taekwondo and years of experience training in aikido and MMA. She is passionate about educating others, whether she's teaching people how to defend themselves or training them to ride motorcycles. You can find her on stage as a host for various burlesque shows, where she entertains as Lady Vroom Vroom. Given her background in high-risk activities, she can take a beating - just as long as you ask first.

Lord Ramirez (*He/Him*) - Lord Ramirez has been in the kink and fetish scene for over 30 years. He has taught at numerous events across the United States. He is passionate about sharing his knowledge and prefers to teach in an active participatory manner rather than a sit-down lecture format. For him, participation is crucial and is what gets you learning in a fun, creative environment.

March (*she/her*) - March is a curious student of rope as a medium for power, vulnerability, pain, and release. In her teachings, March strives to facilitate personal growth and relational resilience through consent and communication. After a hard and fast fall into the rabbit hole in 2015, she identifies as an ever-evolving rope enthusiast and can often be seen teaching and performing nationally, as well as organizing community events locally.

Master Jim and dee (*He/Him, She/Her*) - Master Jim and dee are a monogamous M/s couple who married out of college and have been exploring their kink ever since. She passionately disseminates her knowledge on a range of kinky topics and play styles from sensual to sadistic with consideration to risk profiles. She enjoys exploring scene-specific negotiations within varying relationships and dynamics. With a love for high heels, intense impact scenes, and making meaningful connections, she is a queer, top-leaning, sadomasochistic, dominant caregiver.

neysa (*She/her*) - Neysa has over 20 years of experience in the kink community. Currently, she is the Communications Director of NLA-Dallas, VP of DFW Pony Play, a member of the Team Dungeon Leadership, Secretary of House Cyclone, and an all-around crafting & shenanigans kind of gal. Neysa calls on her experiences to highlight

the trust, respect, and joy necessary to walk her path of the leather pony. She is a Cart and Draft pony, delighted to teach how easy the first step onto the path of pony-hood can be.

RopeRider (*He/Him*) - RopeRider is a compulsive social engineer. Inspired and driven by erotic curiosity, he began his journey with rope bondage as a fetish photographer, but quickly discovered that rope can be used to create intimacy, amplify connection, and make a tasty space for sensual surrender.

ropespaced (*They/Them*) - They've been doing rope since 9/2014, first as a self-tyer and bottom, and later as a self-suspender and rigger. They have been doing demos since 2016, teaching since 2017, and started co-running Black Knot Rope Group in 2018. They're most passionate about providing education in body positivity & inclusiveness, bottoming, beginner & intermediate level rope, and health & safety. Their career in healthcare has been very helpful in informing their classes.

Sara withoutanH (*she/her*) - Sara without an H is an instructor and performer in the Philadelphia area. She has been teaching movement for over ten years in formats including pole fitness, lyra, chair dance, burlesque, and floor work. SWAH co-produces the burlesque show SAFEWORD, which combines the seduction of burlesque with exploration of kink. As a kinkster, she is a switch, rope bunny/demo bottom, and enjoys fire, electro, needle, and impact play. She is passionate about movement and touch as a means to self-discovery.

Sarah V Revels, LCMHC (*She/Her*) - See page 11

sepiessa (*she/her*) - sepiessa is known for her playful, informative, and intuitive style of yoga and massage instruction. She is an LMT, certified Thai Massage practitioner, and yoga teacher. She offered her professional skills to the kink community for the first time at Bound in Boston in 2011, and has been presenting at various cons ever since! She especially loves to see the look of bliss (and delicious pain) on her class participants--oh, and skillfully stepping on people to hear them moan!

Alignment of Wills as an M/s Framework

Presented by: Master Jim and dee

Sunday 4:00-5:30pm - Woodside

Audience: Everyone - Track: Interpersonal - Class Type: Discussion

Of the many different M/s frameworks, the Alignment of Wills offers many positive aspects, which benefit both Master and slave. In this framework, consent and command is achieved by alignment of Master and slave towards a common, desired Will. Alignment in this context can manifest as many things, from a shared overarching vision or mission statement, to the elements of daily life. The results of this alignment can be a significant deepening of the M/s dynamic and a sum greater than the parts. We will have an interactive discussion. Masters and slaves, please come prepared to discuss experiences you may have had aligning towards a common will in your own dynamics and the triumphs or challenges this has created.

Being of service or in service to someone is a beautiful expression of a gift. In this class we will explore the act of giving service to another. In some ways, it's about the act of doing the service given. In other ways, it's about the presence and intention we hold within ourselves as we complete the task at hand. How do you show up to your service when you've had a terrible day at work, hit every red light on your drive home, and feel like nothing has gone right?

Asking - and Why it's so Scary

Presented by: soumise

Saturday 5:30-7:00pm - Marquis

Audience: Everyone - Track: Interpersonal - Class Type: Discussion

Many submissives have a problem asking for what they need or want. In the D/s lifestyle, i found it even harder to ask for what i needed or wanted because i thought it meant i wasn't submissive enough. This class is designed to help you learn more about yourself and your needs and wants and be able to effectively communicate these with your partner. Why we need to be able to ask for what we need and want. When to express these needs to our Dominant or Master for the best outcome. What it is we are really looking for. How to ask. What happens if the answer is No? How to avoid feeling taken advantage of in; or resentful of; the power exchange dynamic.

BDSM 101 will help you to navigate your community in a way that is both safe and fulfilling for

you, your partners, and the community.

Here is an short outline of the topics we will be covering: 1. Where did we come from; 2. Public versus private; 3. Consent, negotiation, scenes, etc; 4. Trip through the toy bag; 5. Cleaning and maintenance of your toys; 6. Question and Answer; 7. Wrap Up.

Today, Adeline lives in New York City and continues to be an active participant and contributor to the community at large.

Amanda (*she/her*) - **Assistant Dungeon Monitor Coordinator**

Arlin has participated as a demo bottom for classes at various conventions, as well as through the New England Dungeon society. If you see them, say hi!

Chris_mac (*she/her*) - **Registration Coordinator**

Chris_mac found the very welcoming NH kink community in 2013 while searching for more like-minded people. She started out as a

swinger, and now is also into sensation play and sensory deprivation. She has attended several kink events in NH, MA, RI, MD, NV, LA, and FL. She is constantly learning and trying new things. She has hosted NH Kinky Poker for several years.

Other interests include camping, swimming, fishing, Krav Maga, and riding her motorcycle.

She is submissive to her partner MrNewHampshire. She has volunteered at KinkyCon for several years and is looking forward to taking on the role of Registration Coordinator for this KinkyCon event!

Eomer (*he/him*) - **Vending Coordinator**

Eomer (pronounced AY-oh-mare) has been drawn to alternative lifestyles all his life, and became active in the local community in the last decade.

His main interests include fire, safety, and volunteer-ism. At his core, he believes everyone should have the freedom and opportunity to explore, express, and present their fetish interests and sexuality without rebuke. As such, he regularly volunteers at BDSM cons, acts as a host for the Concord Community Munch, and lends support to local groups and events like LGBTQ Pride and domestic violence advocacy and outreach groups.

He is an artist and engineer by day, and a sadist with a soft heart and a passion for edgier play by night.

Euna (You-Na) or **Wifetress** (*she/her*) - **Health & Safety Officer**

Originally from NJ (the smelly part) and living in NH for the past 15 years. She is a magical princess, sexual, mental health advocate, Top, cum connoisseur and a healthcare worker. She has been active in the kink and poly community for over 10 years.

Kinky_Counselor (*she/her*) - **Incident Response Team Lead**

KUBRICKstare (*he/him*) - **Operations**

KUBRICKstare has been involved in the scene for less than an eon. He approaches kink with humor and with an eye for safety. He has taught rope classes in the past and his other interests include motorcycles, tacos, and making his own toys and furniture.

PrettySubFemale (*she/her*) - **Programming Coordinator**

PrettySubFemale (PSF) has been involved in the New England kink scene for almost 30 years, and has a wide variety of interests including spanking, sounding and other edge play, rope, wax, whips and button pushing.

As an insatiable learner and maker, her latest project, Stitches For Kink, offers custom embroidery designs specifically for the kink community, without the embarrassment of having to explain what all those kinky stitches mean to the vanilla world.

PSF is excited to be this year's Programming Coordinator for KinkyCon Wicked Weekend 2022. She values feedback related to the classes offered at the event, as well as making new friends, so be sure to stop her and say hi when you see her!

Thumpingbeetle or Chris (he/him) - Operations Coordinator

Chris has been in the community since 2012. He first learned of this type of community when he lived in Washington. After moving to the Portsmouth, NH area he attended his first event alone at Portsmouth Pub Night. One of the best decisions he ever made and has led to being able to learn and meet some amazing individuals. This will be the 5th KinkyCon that he has helped facilitate moving equipment and supplies for the presenters and classes.

Ti_fanny (she/her) - Volunteer Coordinator

(Pronounced TIE-fan-EE) has lived in New Hampshire all her life and was introduced into the community in 2010. She started out initially as a submissive/impact bottom, but has grown to love topping in rope, impact, and sensual play. She was a group leader for the MARK Group, and has hosted several events including NH Kinky Poker, and co-hosted the Strange Brew Munch. She has also participated as a demo bottom at multiple events for classes in wax play, fisting, suspension, and squirting.

Her favorite kinks are sensual play, rope, and topping with her partner of 7 years, Dominant-7th. She has been a volunteer for KinkyCon for many years, and is excited to take on her 3rd year as Volunteer Coordinator for this year's event.

Meet the Board

Dejantu

Dejantu has been in the kink scene since the early 90's, and has always enjoyed power exchange dynamics. Over 10 years ago, he became active in the local New Hampshire kink scene. He found a love of rope bondage, Kinbaku, and went to nearly every event around to learn as much as he could about the art form. He has helped run rope lounges at kink conventions, mentored at local area rope groups, and started the Manchester Rope Group. Along with a few other leaders in the New Hampshire area, he started the MARK group which ran nearly 50 events a year, including multiple munches and many diverse events (both kink and vanilla) with kinky people. In 2014, he became a board member for KinkyCon, and loves being part of a great event that provides quality kink education from lifestyle experts. He enjoys discussing, teaching, mentoring, and participating in BDSM and D/s activities.

Domino

Domino's KinkyCon roots go back to the very beginning of the event, when he responded to a post on FetLife from a student at UNH who had an idea for a conference but needed some help. Eventually, Courtney Jane left for the West Coast, and Domino became one of the board of directors that would keep KinkyCon true to its original vision moving forward.

Domino has pursued his interests in the BDSM lifestyle for more than three decades, and is the creator and host of The Bullwhip Lounge, a day long whip extravaganza at NELA's Fetish Fair Fleamarket. Domino has presented at many local and national events including KinkyCon, Black Rose, The Floating World, Brimstone, and Leather Reign.

Domino's passions for community building, education, and creating a safe space for all to participate, continue to play a major role in the creation of every KinkyCon.

PinkBikerGirl

Cindy has been interested in kink for close to 15 years but didn't venture into the public scene until 2012. Over the past 10 years, she has attended, hosted, and organized numerous events, but has taken a step back in recent years in order to focus on work, school, and personal relationships.

Cindy's strengths lie in the details, organizing, and planning. So, in 2014, she added KinkyCon Board Member to her kink resume. Originally brought on to create the program, she has taken on other roles over the years, such as presenter liaison, and organizer extraordinaire, but currently holds the unofficial title of Marketing Director. While all printed materials at the Con had to pass by her critical eye first, the program you hold in your hands is her biggest source of pride!
